Comments:

ops perception  
of info furnished

- The location of drugs was described as a land drop in the vicinity of geo coord  $36^{\circ}15'N / 121^{\circ}50'W$  (a water offshore area. The land drop is in the vicinity of an airport.
- On 29 May the (SG1B [REDACTED]) target vessel was sailing west (at a slow speed) in rough waters.

— Salinas surfaced as within the ~~indent~~ drop area where the drugs were stored or as a final destination for the drugs

— The word ~~surface~~ surfaced plus.

- a second, <sup>small,</sup> vessel, a fishing vessel.  
appeared to offload and head south  
with the contraband.
